

Combat Turf™

HIGHLIGHT REEL

Tyron Woodley and Combat Turf™

Sporturf™ has joined forces with UFC defending welterweight champion Tyron Woodley. Tyron started out excelling at the University of Missouri where he was awarded first Big 12 Champion in Mizzou's history, and was named a two-time wrestling All American. Following his wrestling career with University of Missouri, Tyron began his MMA career with an impressive 7-0 record, with all bouts ending by KO or submission. In his UFC debut, Tyron executed an impressive 36-second KO of Jay Heiron- and put the welterweight division on notice. Tyron recently opened his gym, ATT Evolution, in the ST' Louis area of Rock Hill. The 10,000 square foot facility is complete with Sporturf's newest product Combat Turf™. To make the most out of the functional training space, Sporturf crews pre-fabricated agility ladders and dots at the factory before the turf was shipped. This made installation an extremely easy process. Combat Turf™ provides a high quality, high performance with a quick install and no mess solution for owners and athletes alike.

Combat Turf™

PRODUCT

Combat Turf™

FACE WT/PILE HEIGHT

40 oz / $\frac{3}{4}$ in

Our non-rubber infilled turf has all of the advantage of previous generations and then some. The benefits of Sporturf™ Combat Turf™ include high resistance to wear and the fact that messy infill is not required. The almost perfect 50/50 blend of nylon and polyethylene provides a true ball roll generally only found in high pile rubber infilled turf. Also, no rubber means less maintenance. Keep in mind, all Fast Grass systems can be outfitted with Velcro seams for ease
