### Railsplitters Baseball

Sporturf™ dealer Baseline Sports Construction, installed Lincoln Memorial University's baseball field in Harrogate, TN. Lincoln Memorial University is a four-year institution focusing on the liberal arts and undergraduate studies. Athletics teams at LMU are known as the Railsplitters, a reference to LMU's humble early profession. Their campus stands against the backdrop of the stunning Cumberland Gap mountains. Assistant Athletic Director, Cameron Whicker, praises the turf by saying, "It has been a great asset in recruiting, but the biggest benefit shows up in player development."
